

# Impact Leaving Orlando

For a little bit at least. It's been confirmed that in February at least some shows will be taped in North Carolina. I have no idea if this is going to be a regular occurrence or if it's a one off thing but either way it's a good idea. They need to get away from the Impact Zone crowd for a change to see what works and what doesn't. Even for a week or two it's a good thing for them.

Thoughts?
