

MITB Predictions

I'll get used to putting these up eventually.

Anyway we have four major matches tomorrow night:

Raw MITB

SD MITB

Christian vs. Orton

Punk vs. Cena

Your thoughts?

As for mine:

I'm going to go with Cena retaining by pin, Rey as a total in the dark pick, Orton to retain and I guess Cody to win MITB. I have very little confidence there though so that is what it is.

Thoughts?
