

Updated the Links Page, Added Facebook Link

As the title says I put in the link to the site's FB page. I only have it to advertise a bit and you can't comment on there anyway as it makes it easier for me to see comments if they're posted here. Please take a second to like my page so I can get my name out there a bit more. I'd appreciate it. You can like individual reviews if you want also. I'd appreciate it if you would.
