

Miz #1 In The Rumble

This was announced on Raw tonight. This is... A pretty good idea. Miz is a guy that can go out there and do whatever for about 30-40 minutes if need be. You can have him do stuff like the Shawn role in 95 or Benoit/Orton in 04. Someone like that has to be there and Miz is as good a choice as any to have in there for a good chunk of the match until the main people get in.

Thoughts?
