

# Projected Mania Card

We pretty much have a good idea of what the upper half of Mania looks like at this point.

Raw World Title: Jericho vs. Punk

Smackdown World Title: Sheamus vs. Bryan

Undertaker vs. HHH III

Cena vs. Rock

My take:

I'm worried about this year's show. Other than Jericho vs. Punk and maybe Rock vs. Cena, is there any real drama in most of those matches? The Streak will not end, Sheamus looks pretty much like a lock to win the title, and I'd be pretty surprised if Rock didn't tap to Cena to end the show.

What do you think of these so far? What do you thing the rest of the card is going to look like?
