

# What Show Should I Add?

With the PPV reviews winding down (45 to go), I'll have some room to add in some more weekly TV shows. By that I mean an old show that I can put in regularly on my schedule. I'll leave it up to you guys what I pick. Here are some options (others if you can think of them of course).

Raw (any year)

Smackdown (any year)

ECW on TNN (depending on availability)

ECW on SyFy (I'd start at the beginning and go through the whole series since there are only about 200 episodes)

Impact from any year (depending on availability)

Anything else you guys can think of

I might do two of these but I'm not sure. Once I finish Raw from 98 and 01, I'm going to do 99-2000 but I'll do them chronologically instead of two from each. I'll also probably be starting Raw from the beginning and working my way up two episodes (or so) at a time.

I won't do Thunder yet because I'll be doing those as I get to that time in the Nitro reviews. I also won't do ROH because I'm not a big fan of it and wouldn't want to watch it regularly.

So what would you like?
