

My Anniversary Is March 12

On March 12, 2009, I posted my first review. In just shy of 3 years, I've reviewed 1257 shows, or over one a day on average. It breaks down like this if you're curious:

ECW – 30

Misc – 57

ROH – 17

TNA – 163

WCW – 221

WWE – 769

That doesn't include articles, the weekly reviews I post on the forums, or a few I did for a guy as a Christmas gift.
