

Wrestlemania #2 – The NFL Vs. WWF Battle Royal – Could It Work Today?

This was a pretty big deal that you don't hear about that often. We often see football players on wrestling shows, but never to this extent. Ok not until 1995 but you get the idea. Is this something you could see working today? It's a possibility but I'm not sure I'd want to see it, mainly due to the amount of screwing up they could do to it if it wasn't done just right.

Thoughts?
