

Wrestlemania #4: Book The Tournament Finals

As you know, Wrestlemania 4 had a tournament format. If you didn't know that, go read about it below. Anyway short question today: how would you have booked it? The only rules: you have to keep the same people in the tournament and Hogan vs. Savage is the main event of Wrestlemania 5 no matter what. I'm not much of a booker, but here's what I would have done: I like the original plan which had DiBiase beating an exhausted Hogan in the finals, likely through cheating. Have Andre knock Hogan out, Savage runs out for the save but Hogan is out cold in the Million Dollar Dream, and DiBiase stands tall to end the show. I know it's a big stretch for the 80s, but how hot would the house shows have been for Hogan vs. DiBiase? The idea here is that it gives DiBiase the summer to chase Hogan, you have Savage win the title at the first Summerslam and then the Mega Powers Explode as was carved into stone for Mania 5.
