

Wrestlemania #12: On Their Best Day: Bret or Shawn

A question as obvious as you can get: on their best day ever, who is better: Bret Hart or Shawn Michaels? I'll take Shawn but just by a hair. There isn't a wrong choice here, but I think Shawn had more variety in his matches which made them more entertaining. On the other hand...IT'S BRET HART. I'll take Shawn but I won't be defending this at all.

Thoughts?
