

Wrestlemania #19: What Should The Match Order Have Been?

This is my biggest issue with the show so how would you fix it? I like how HBK vs. Jericho is pretty much the first half main event. Leave that and Booker vs. HHH where it is. Have a match between those two and Hogan vs. McMahon (tag title match maybe) and then Austin vs. Rock. Have say the Undertaker or the Divas between that and Angle vs. Lesnar and you have a masterpiece in my eyes.

Thoughts on this?
