

# Wrestlemania #25: Is Shawn Vs. Taker Better Than Steamboat Vs. Savage?

They're two of the best matches ever, but which is better? As great as Shawn vs. Taker was in that I was literally almost jumping off my bed with each kickout, I think it's more exciting than good. With Savage vs. Steamboat, the match is virtually flawless with no botches or anything resembling one. They're both great, but the one from 87 is just better from a qualify standpoint.

Thoughts?
