

John Cena Possibly Wrestling At HIAC

<http://www.wrestlezone.com/news/263159-exclusive-john-cena-being-considered-to-wrestle-for-hell-in-a-cell>

My thoughts: Geez I hope not. Cena has been a part of this story, but this needs to be Ryback vs. Punk. They need to throw Ryback out there and see what they've got, and having Cena out there is going to overshadow that. Also what does it help? They don't have time to advertise him for the show.

Thoughts?
