

KB Contest: Someone Name This Freaking Move Already!

I've seen this move used for years and I have no idea what to call it. This is driving me crazy because simple things like this make me insane. It's the one where a guy is in position for a 619 and the other guy hits a running crotch attack to the back of the guy in 619 position. Big Bossman, Jeff Jarrett and Road Dogg regularly used this. Whatever the best one I get by....let's say the time TLC goes on the air will be the official name of the move until either eternity or until I get bored with it and want something new.

Go.
