

Jack Swagger Arrested, Charged With DUI and Possession Of Marijuana

Apparently Swagger was arrested last night after the Smackdown tapings on an undisclosed traffic offense. No word on if alcohol was involved or not or if this is legit or storyline based. I don't see any indication that it's an angle though. Also no word on what this means for Wrestlemania. It's still early enough to change the match if need be.

Update: Apparently it was DUI and possession of marijuana. Bye bye Wrestlemania. Nice going Jack.
