

# Wrestlemania 29 Preview: Tons of Funk/Funkadactyls vs. Rhodes Scholars/Bellas

I wouldn't be surprised to see this get bumped to the pre-show as well. This is the big return of the Bellas in what is supposed to be part of the resurgence of the Divas division by giving the Funkadactyls a rub. The problem with that theory is that no one is going to care about any Diva if they're treated like schmucks like Kaitlyn. As for the male counterparts....eh. Tons of Funk are a glorified comedy team with the dancing stuff but the kids like them a lot in the same vein of Rikishi and Too Cool back in the day. The Scholars on the other hand are back together and still losing almost every time they're out there. I'm hoping the team is done for good after this so we can get them doing something worthwhile. Given that the tag division reboot is dead, having them as singles guys is the only thing left for them.

As for the match, I think it goes to the dancing team, presumably with Naomi getting the win. It's clear that WWE sees them as the next big thing in the Divas division. She got a spot in a PPV title match late last year and was showcased in the tag match on Monday. She's much better in the ring than Cameron, but Cameron is better in the looks department which tends to be the bigger deal anymore. This isn't going to be much of a match and it might get eight minutes at most. I'd bet on the dancers to win though, if nothing else for the big dance party post match.
