

Thought of the Day: Who Said The 80s Were Dead?

The Hogan formula is still alive and well. This string of title defenses for Cena is right out of Hogan's monster of the month playbook from his big title reign. Cena has already beaten Ryback and Henry is up next. neither feud has gotten a ton of TV time and the matches are rarely in doubt, but Cena is the perfect guy to vanquish monsters until he's ready for a big feud.
