

A Bit More On AJ vs. Total Divas

Odds are most of you haven't seen every episode of Total Divas. If they make the Total Divas the faces in this, here's what they're going to have to overcome from the "reality" show. Nataya – The most insecure, whiny person of all time. Every episode so far has seen her complain about something, ranging from not getting on Wrestlemania to having to babysit the new girls to her love life. Some of it is indeed justified, but GET OVER IT already. For someone who was raised to be in the business and is clearly the best in ring worker from the show, she has a lot of things to whine about.

Trinity/Naomi – She's the second best in the ring and one of the more likeable girls on the show, but at the end of the day she's a cheerleader and little more. At the end of the day though she's loud and a bit annoying without enough personality to really stand out. She'd be ok to push on her own and that's about as good as I can say about her.

That more or less ends the good stuff to say about the cast.

Jojo – Uh....she exists. Seriously, she has no personality because she has no screen time on the show. She seems nice but there's nothing to her.

Eva Marie – The epitome of what's wrong with the Divas' division: she's annoying, she can't do a thing in the ring and she's loud, meaning she's being pushed. The first few episodes focused on her bucking authority and lying to get to

the top of the division. She looks good and the red hair helps a lot, but we've seen her as a lying manipulative witch who got engaged and then was flirting with Fandango to get a spot on the main roster later that night. Quite a hero.

Bella Twins – Yeah they're different on the show but on Raw they might as well be the same person. These two are EVIL on the show but the worst part about them is they seem very materialistic. For instance, we spent a full episode with the Bellas going to Cena's Tampa mansion and then Daniel Bryan's childhood home in Washington. While Cena's place could have been a stand-in for Wayne Manor, Bryan lived in a modest house. By modest, I mean a house that almost any sane person would be fine spending forty years of their lives in. Brie Bella's recommendation: TEAR IT TO THE GROUND because it's not big enough. You know, because everyone should be able to afford a multi-million dollar mansion with its own water slide. Brie is also the person moving to Arizona to spend more time with her dog.

Ariane/Cameron – This is the one that drives me the craziest. She's loud, self-obsessed, cares about her looks more than anything else, whines about EVERYTHING, and talks like a stupid 15 year old girl. For instance she wanted to get breast implants and spent the entire episode referring to them as her *cue stereotypical California valley girl accent* bewwwwwwwwwwwbies. Basically she's Laycool but FAR less charming.

These are the people that we might have to cheer against AJ. For the love of all things good and holy, please let that be the case. It would be GLORIOUS.
