

# E-Book Feedback Wanted

This is something I just don't get, though I'm not complaining about it. I've been looking at my e-book sales (thank you all for buying any of them you have) and something is clear: the History of Starrcade is blowing everything else away in terms of popularity. Last month, when the prices were all equal, it sold more than the other three combined. Is it something about Starrcade or is it WCW or is it something else? Should I do more WCW shows?

Also in general what do you want me to cover in the future books?

Any answers are greatly appreciated
