

# Survivor Series Count-Up – 2009: Triple Double

## Survivor Series 2009

Date: November 22, 2009

Location: Verizon Center, Washington, D.C.

Attendance: 12,500

Commentators: Michael Cole, Jerry Lawler, Matt Striker

We're in the final three of shows that actually exist as I'm writing this now. Tonight is a show based around the match that I'm sure you all know I love: THE TRIPLE THREAT! I mean, it's not like you EVER see a triple threat and that it's the most overdone gimmick match of all time which might as well be considered a regular match like a singles or tag match anymore and that you can barely go two PPVs without seeing one and that it follows the same formula in every single one of them! In case you're stupid, I hate triple threats and both world titles are being defended in triple threats against a tag team. Let's get to it.

We get clips from every Survivor Series for the opening video. They're obsessed with the history of this show. Apparently the Survivor Series stopped existing outside of Undertaker after 1990. Who knew? In other words the clips of the shows stopped at 1990 and it was a regular video from there.

## Team Miz vs. Team Morrison

The Miz, Drew McIntyre, Sheamus, Dolph Ziggler, Jack Swagger

John Morrison, Matt Hardy, Evan Bourne, Shelton Benjamin, Finlay

Sweet goodness that's a big disparity between the talents. We have one team where only one member is still in the company and he hasn't been seen in ten months. Well Finlay is still in the company but he's retired. On the other side you have four world champions and Drew McIntyre. Miz is US Champion here. McIntyre has only been around for about three months and Sheamus has only been on Raw less than a month. Morrison is IC

Champion.

Bourne and Swagger get things going with Evan grabbing a quick rollup for two. Zigler comes in for the Hennig Neck Snap and a modified belly to belly suplex for two. Back to Swagger who pounds on the back of Bourne and brings Dolph back in again, hooking a half crab on Evan. Bourne escapes and comes back with a rana out of the corner and a jumping knee to the face. There's the hot tag to Matt (BIG pop) and a double elbow to the back of Zigler's head by Evan and Matt. The Side Effect sets up Air Bourne for the elimination of Zigler, but McIntyre comes in immediately and Future Shocks Bourne to tie it back up.

Finlay charges in to fight McIntyre and hits that Regal Roll of his. Off to Sheamus and Striker goes oooo. They stare each other down but a Miz distraction allows Sheamus to Brogue Kick Finlay down for the pin. Matt comes in to pound on Sheamus but he walks into a powerslam for two for the pale one. Off to Miz who drops a leg and puts on a reverse chinlock. The Reality Check gets two and it's off to a front facelock.

Hardy reverses but Swagger comes in and drops ax handles on his back to keep Matt in. Off to a chinlock but Matt counters into a sleeper, from which he drops Swagger onto the back of his head in a kind of neckbreaker. Hot tag brings in Morrison to speed thing up. Morrison gets sent into the post but avoids the Vader Bomb. After taking out Miz, the Flying Chuck (Disaster Kick) kills Jack for two as everything breaks down. The referee gets run over and once things calm down, Morrison hits a knee to Swagger's chest and Starship Pain ties things up by eliminating Swagger.

Miz comes in and hits his running corner clothesline followed by a top rope double ax for two. Off to a quickly broken chinlock as it's off to Shelton. That gold hair thing never did work for him at all. A Stinger Splash and a northern lights suplex gets two and Benjamin keeps knocking Miz away whenever Miz comes at him. A bridging German suplex gets two for Shelton as the original referee is being checked for a concussion. Sheamus breaks up a neckbreaker from Shelton and Miz hits the Finale to take out Benjamin.

Off to Matt vs. Drew as things slow down a bit. They send each other into opposite corners with Matt taking over via a neckbreaker and the yelling legdrop for two. Another neckbreaker puts McIntyre down but Matt goes up and misses a moonsault press. A second Future Shock (called a Kobashi DDT by Striker) gets a second elimination for Drew, leaving us with Morrison vs. Sheamus/Miz/McIntyre.

Morrison starts with McIntyre and pounds away in the corner as Striker quotes Jim Morrison lyrics. Drew sends him into the corner and it's off to Sheamus for some double stomping. Off to Miz for some trash talk followed by a slugout. Morrison takes over but it's quickly off to Sheamus to run John over. Morrison kicks all three heels down but the flying Chuck is caught by a Brogue Kick out of the air, followed by the High Cross for the final elimination.

**Rating:** C+. This was your typical Survivor Series match and hopefully it gives us the definitive ending to the feud between the captains. Morrison was the more athletically gifted guy, but Miz would go on to much better things. I'm not sure if it was more his talent or the complete lack of expectations for him, but Miz went miles ahead of Morrison soon after this. Sheamus would get the world title in less than a month.

Team Kofi talks strategy but Christian feels awkward among four people not like him. His partners are MVP, Kofi Kingston, R-Truth and Mark Henry. Christian says he's the only one that's...you know....from ECW. The awkward responses ensue and Christian thinks they thought it was because he's Canadian. Christian "raps" and mentions the race thing, drawing stares. Everyone eventually cracks up.

We recap Batista vs. Mysterio. They had been tag partners but Rey got pinned a few times. At Bragging Rights, Batista snapped and turned heel on Rey in one of the best heel turns in years. I love this turn because it's so simple: Batista got tired of losing over and over and then, very calmly, he said he was going to rip Rey's head off, and then he DID. Rey begged for mercy, but Batista kept beating on him and hurting him, turning him into a big, muscleheaded bully, which is one of the best kinds.

## Rey Mysterio vs. Batista

That Booyaka song of Rey's is growing on me. It's fun to shout along with. Rey takes the leg out quickly and tries the 619 but Batista bails. Rey follows and is immediately slammed against the apron and Big Dave takes over. Mysterio tries to fire off some kicks but Batista clotheslines his head off to stop Rey cold. The Batista Bomb is escaped as is a powerslam and Rey goes after the knee.

Rey kicks Batista into 619 position but Batista grabs the legs out of the air but can't hit the Bomb yet. Mysterio sends him to the floor for a seated senton but Batista shrugs it off. Back in and Rey hits a pair of 619's to the back and the ribs and a third to the face. Another springboard seated senton puts Batista down and Rey goes up for the Eddie dance, only to dive onto knees. Batista kills Rey with a spear and there's the spinebuster. The Batista Bomb kills Rey but Dave won't cover. There's another Bomb and a third so the referee stops the match.

**Rating:** C+. I liked this for the story it was telling and the match wasn't all that important. This was cool to see as Batista let out some of his anger and didn't have to get pinned by some stupid rollup or anything like that. Sometimes you need some violence and the destruction of someone instead of them being able to stand tall. Let the bad guy win once in awhile and let him look strong. Then when someone stands up to him and beats him, they're a hero. For some reason, this never happens anymore.

Post match Batista brings in a chair and picks up a begging Rey. He hits a spinebuster onto the chair, but the key here is the look on his face. There is no emotion on it at all and it's like he has to do this because it's who he is. Awesome all around. Rey is taken out on a stretcher.

Orton doesn't like his team. Punk doesn't really want to hear it.

We recap Team Kofi vs. Team Orton. Orton was all evil and psycho so Kofi stood up to him. This resulted in what looked to be one of the best face pushes in a long time, as Kofi showed some AWESOME emotion and looking like a serious threat to take Orton down. He destroyed an Orton racecar and then got in a BIG brawl with Orton all over Madison Square Garden,

culminating in hitting a Boom Drop through a table.

Unfortunately, the beginning of this saw Kofi miss his cue and make Orton look stupid, so guess what happened to Kofi's push at the end of this program? Since, you know, months of awesome promos and buildup and crowd reactions should be thrown away for the sake of a three second error that no one remembers. The package easily edits it out here, but hey, EVERYONE remembers EVERYTHING that happens on Raw right? That's why everything is recapped: so EVERYONE that remember EVERYTHING can remember it even better.

### Team Randy Orton vs. Team Kofi Kingston

Kofi Kingston, MVP, Mark Henry, R-Truth, Christian

Randy Orton, Cody Rhodes, Ted DiBiase, CM Punk, William Regal

Christian is ECW Champion and I think that's the only title in this. Orton starts thinking he gets to fight Kofi but Henry starts instead. Henry throws Randy into Orton's corner where Henry beats up all four of them. There's a bearhug as Striker says being a Rumble winner might help Orton with strategy here. Huh? What does a battle royal have to do with an elimination tag match? Anyway, Legacy (DiBiase and Rhodes) help their I think former boss out and it's an RKO to eliminate Henry in less than a minute.

MVP comes in and Team Orton all bails to the floor. After the quick huddle outside, here's Orton again to face MVP but Rhodes makes a blind tag to stomp away on him. It's quickly off to DiBiase then Regal then Punk to stomp away until Punk hooks a chinlock. MVP fights up and hits a suplex that looked like it lacked contact before bringing Truth in. Truth does his backflip into the splits but Rhodes' distraction lets Punk hit the GTS to eliminate the rapper.

Christian comes in next to face Punk and they trade basic stuff to start. Punk gets in a knee to the ribs and it's off to DiBiase for a middle rope elbow which gets two. Christian tries the Killswitch but walks into a powerslam instead. Dream Street and the Killswitch are both countered so Christian kicks DiBiase in the ribs and hits the spinning sunset flip out

of the corner to make it 4-3.

Regal comes in immediately and gets all fired up but gets dropkicked down. There's the tag to Kofi and things speed way up. Kofi fires off punches in the corner and but Regal fires off some punches to slow Kofi down. Off to Rhodes for more punches and kicks before Regal comes in again. MVP gets the tag and hits the Drive By (running boot to the head) to take Regal out and tie us up at three each (Kofi/MVP/Christian vs. Orton/Rhodes/Punk).

Cody comes in with a top rope cross body but MVP rolls through it for two. Rhodes gets caught in the good guy corner and it's Canadian time as Christian pounds him into another corner. Tornado DDT is broken up and Christian is in trouble already. Cody wraps his legs around Christian as things slow down again. Off to Randy again who hits a gorgeous dropkick for two. Off to Rhodes who misses a knee drop so it's back to MVP. It's more basic punches and the Ballin Elbow for no cover. MVP has to knock Orton down and gets caught in Cross Rhodes to make it 3-2.

Kofi comes in and rolls up Cody for a VERY hot two count before it's back to Christian. The Canadian works on the arm before it's back to Kofi with a springboard shot to the arm as well. Christian and Kofi take turns on Cody until the Killswitch takes him out. This was simple yet effective. It's down to Punk/Orton vs. Christian/Kofi which is a spiffy little tag match.

Orton comes in to face Christian and a right hand takes Captain Charisma down. Christian has to take Punk down off the apron but still manages to avoid the RKO and hit the Killswitch for two as Punk saves. Punk distracts Christian and it's an RKO to make it 2-1. Kofi wants Orton but Randy tags out when he sees Kingston there. Punk and Kofi stare at each other a bit before slugging it out with Kofi taking over with some HARD forearms.

The GTS and Trouble in Paradise both miss and we've got a stalemate. Kofi hits a big dropkick and the SOS for two. Orton is walking around on the floor as Punk takes over. Off to a leg choke which shifts to a body vice with the legs as some time is killed. Kofi fights up but a splash hits

Punk's knees.

A falcon's arrow gets two for CM but the bulldog out of the corner is countered with a belly to back suplex. Kofi goes up and after blocking a superplex twice, a top rope cross body gets a close two. An Orton distraction prevents the Boom Drop but Kofi reverses a rollup into the pin on Punk and immediately kicks Orton's head off for the final pin and a BIG pop.

**Rating:** B. This took a bit more time than it needed but the ending was perfect. It made Kofi look like a STAR...and then he lost the next month to Orton and was back in the midcard immediately after, but this was AWESOME. The other eliminations didn't mean much and this would have been better as a 4-4 match with about three less minutes, but great ending and I was totally into the Kofi push at this point.

#### Smackdown World Title: Undertaker vs. Chris Jericho vs. Big Show

Hey look: the world champion is defending against a big time tag team. Jericho won at Bragging Rights and Big Show turned on Raw at the same show to get this spot. Taker is defending and he's the only person I'll call champion in this match even though JeriShow have the tag titles here. The challengers pound Taker into the corner with Show headbutting the champion a bit for good measure.

Taker comes back with a clothesline to send Show to the floor and goes after him instead of fighting Jericho in the ring. Odd decision but Taker is an odd guy most of the time. Taker fires away punches on the floor but Jericho pops up from out of nowhere and takes out the champ's legs. Taker is stuck in the timekeeper's area so the challengers lift him out of it to throw him back inside to hammer away.

Jericho misses a charge and Taker pounds away on Show before clotheslining him down. Show heads to the floor and Jericho gets beaten up for awhile but the big bald guy pulls the champ to the floor. Taker is all cool with that though and posts Show before getting crotched when attempting Old School on Jericho. Chris superplexes him down but Taker gets the knees up to block the Lionsault. Jericho counters the counter and puts on the Walls, but Show breaks it up with a chokeslam.

A chokeslam to Taker is countered into a DDT and all three guys are down. Jericho tries to cover both guys but can only get two before being launched to the floor by Big Show. Taker wins a slugout with Big Show and they both grab chokeslam grips, but it's Jericho with a belt shot that takes Show down, possibly by mistake. Taker loads up the Last Ride on Jericho but a belt shot to the head knocks out the champion but only for two seconds. Jericho mocks the Undertaker for some reason and tries a Tombstone. Unless your name is Kane, WHY WOULD YOU TRY THAT ON UNDERTAKER???

Taker counters it but Show knocks him out. Jericho saves the pin and tries a Codebreaker on Big Show, who is like boy please. A knock out punch puts Jericho down as Taker is getting back to his feet. Show calls for the chokeslam but Undertaker pulls him down into the Hell's Gate for the submission to retain.

**Rating:** C+. This is one of those matches that went fine but you could have called most of the match the entire way through. Was there any doubt that Taker was going to keep the belt here and that the partners would turn on each other? That's the problem with these kind of matches: they never take risks on the endings so it's the same stuff over and over again.

The survivors of Team Miz (Miz, McIntyre and Sheamus) brag a bit. They all claim to be the future.

#### Team Mickie James vs. Team Michelle McCool

Michelle McCool, Layla, Beth Phoenix, Jillian Hall, Alicia Fox

Mickie James, Kelly Kelly, Melina, Gail Kim, Eve Torres

Michelle is Women's Champion and Melina is Divas Champion. I'm not sure if this is before or after Laycool was making fun of Mickie for being "fat". Kelly and Layla get things going and it's not pretty from the start. They are but the wrestling isn't quite so smooth. Layla hits some dropkicks to the back but Kelly comes back with a legdrop to the back of the head (not the K2 but a regular legdrop) to get the quick elimination.

Off to Gail vs. Michelle and it's a quick Faithbreaker (Styles Clash) to eliminate Kim. Seriously it's that fast. Off to Eve vs. Jillian with the singer taking over with a cartwheel splash. After some uninspired stuff, Eve pins Jillian with a top rope sunset flip and is immediately pinned herself after the Glam Slam. A second Glam Slam pins Kelly and it's down to Mickie/Melina vs. Beth/Michelle/Alicia. Mickie comes in to fight Beth and after some forearms, a crucifix gets rid of Phoenix.

Alicia comes in next and things slow WAY down as Beth was the only girl in there that was going to be able to beat Mickie. A northern lights suplex with a GREAT bridge from Alicia gets two but Mickie backflips up from the mat into a front chancery. It's quickly broken up but it looked awesome. Mickie comes off the middle rope with a Thesz Press for the pin to make it 2-1.

Michelle comes in and stomps on Mickie before hooking a chinlock. Mickie comes back with a forearm to the face and both chicks are down. James can't quite make the tag so Michelle slams her down for two. There's the hot tag to Melina who goes nuts but gets no response. Michelle suplexes her down but she puts Melina over her shoulders and gets caught in a sunset flip for the final pin.

**Rating:** D-. This was worthless. As in there was no value to this whatsoever. The sex appeal is going down too as most of the girls are more covered up than they were in the previous years, and when you have bad wrestling with a lack of sex appeal, the Divas matches go way down in value. The crowd didn't care at all here either.

Batista liked hurting Rey.

No recap video for the main event, but there's no need for one. It's the same story as the other world title match minus the Bragging Rights parts.

Raw World Title: HHH vs. Shawn Michaels vs. John Cena

Cena is defending of course. The bell rings and Shawn superkicks HHH to the floor. Cena's reaction is great as he never saw that coming and I don't think most people did either. The replay screws it up by showing a

good three inches between Shawn's boot and HHH's face, but that's normal anymore. Cena tries a fast clothesline on Shawn but gets caught in a neckbreaker instead.

John comes back with a release fisherman's suplex but Shawn chops away in the corner. Shawn gets kicked onto the top rope where Cena tries the AA but Shawn counters into something that most resembled a DDT for two. Shawn goes for the knee and the fans think Cena sucks. There's a Figure Four (wrong leg but Shawn is a Flair disciple) on Cena but John turns it over to escape.

Back to their feet we go and Cena's leg seems perfectly fine. He hits a pair of shoulder blocks but a third misses and he falls to the floor. Shawn loads up the announce table as HHH is still out cold apparently. Cena pops up to try an AA through the table but HHH saves, only to hit a big spinebuster to send Shawn through the table. Back inside we have HHH pounding away on Cena as Striker CANNOT SHUT UP. He talks about how HHH is the ace of spades and all kinds of other terms that either go over most peoples' heads or MAKE NO FREAKING SENSE. Call him HHH and be done with it you nitwit.

HHH hits a neckbreaker for two on Cena but a Pedigree attempt is countered into a slingshot into the corner. They slug it out with Cena taking over and hitting a shoulder to take over. There's the ProtoBomb but as Cena goes for the Shuffle, here's Shawn to send him into the post. It's time for DX to explode and Shawn takes over early with an atomic drop and some chops. HHH comes back with a knee to the face but Shawn hits the forearms and nips up.

The nip up doesn't do much good though as he is immediately caught in the spinebuster, but like Cena he escapes the Pedigree. Shawn goes up but gets crotched by Cena who goes up as well, only to miss the top rope Fameasser. Shawn hits the top rope elbow on Cena but HHH sends Shawn to the floor. There's the STF on HHH as Cena doesn't seem interested in selling at all in this match. As HHH is about to tap, Shawn comes in and hooks the Crossface on Cena to break the hold.

Cena pulls up from that into an AA attempt but Michaels slips down the

back, only to get caught in the STF. Shawn FINALLY gets the rope and pops up to superkick Cena down. HHH charges in and takes another superkick, only to fall on Cena for a VERY close two. Cena hits an AA on HHH as Shawn gets back in after falling out after the two kicks. They both crawl for the cover and both get a two at the same time. All three guys try finishers on each other (including a piledriver attempt from Shawn) before Shawn superkicks HHH again but gets AA'd onto HHH for the pin by Cena to retain.

**Rating:** B. Good solid match here and WAY better than the previous one. Cena's selling here was really surprising though as he's not one to pull something like that. Other than that the finishers being used so often got a bit annoying, but the match felt like a big battle where anyone could have won, which couldn't really be said about Show vs. Jericho vs. Taker. Good stuff here.

Cena signs some autographs for National Guard members to end the show.

**Overall Rating:** B-. This is a pretty good show but overall, it's kind of underwhelming. The show mostly felt like it came and went and if the show happened that's fine but if it didn't exist that would be fine too. The triple threats didn't work either although the main event was definitely a solid match. No need to see this, although it was good show if that makes sense.
