

2013 Awards: Worst Match Of The Year

Again, not something that took long to think of. It's the Total Divas vs. True Divas match from Survivor Series. Not only was the work horribly sloppy, but Cole lost track of who was still in. Yeah the girls look great in their tiny outfits, but that doesn't mean the match is worth watching.

The runner up is Big Show vs. Randy Orton from the same show, though I didn't find it nearly as bad as everyone else. That being said, one thing is clear: Survivor Series SUCKED.
