

Thought of the Day: Size Matters To Randy Orton

Not one of my more exact ideas but it's pretty accurate. Orton tends to work better against guys smaller than he is. Think about it.

Good Matches With Orton

Cena

Christian

Ziggler

Shawn Michaels

Not So Good Matches With Orton

HHH

Sheamus

Big Show

Edge

Orton is about 6'4, or the same height as Edge and HHH. Like I said, not an exact science but most things in wrestling aren't.
