

I'm Doing A Live Radio Show Tonight

I'll be back on the Mouth of the South Shore Radio Show at approximately 11:30pm EST tonight. The show is live so we'll have Raw to discuss plus of course the Punk interview. I've been on the show before and it's always a good talk, as hosted by one of the commenters here on the site.

Check it out live here:

The show is going to run about 90 minutes and will be available to listen to on demand about 24 hours later. These shows are always fun and the host is a smart guy. Come check it out.
