

So This Paige vs. Bellas Storyline...

Makes me think of some more fantasy booking. And again, this isn't anything revolutionary and isn't meant to be.

So the story is that the Divas on the main roster aren't willing to help Paige out against the Bellas. Therefore, Paige is in need of someone to help her out. Maybe she goes back to her roots. Back to where she started. Back down to NXT. Not for a fresh start or anything, but for reinforcements. Like.....Sasha Banks, Bayley, Charlotte and Becky Lynch.

I know you hear about these invasion storylines all the time, but in this case I dig the idea. Why not use this opportunity to bring some of them up and breathe some much needed life into that division? Is anyone going to miss Layla or Tamina or Eva Marie or even Natalya? Bring in some fresh blood and cut some of these girls that never do anything.
