You Should Buy My E-Books

I've got quite the selection. Here they are with Amazon links for America. You should be able to find them on any given country's Amazon page. These are on a Kindle format but if you don't have a Kindle, there are **free** apps for just about every electronic device you could own. Here's a link to every possible one.

http://www.amazon.com/gp/feature.html?ie=UTF8&docId=1000493771
