

Solomon Crowe Gone From NXT

<http://411mania.com/wrestling/solomon-crowe-removed-from-wwe-website/>

I can't say I blame them. Crowe had potential but he never really clicked. That's definitely not to say he doesn't have talent, but the little monster gimmick was never going to work. I was really intrigued by the hacker gimmick though and was hoping it was going to go somewhere. Unfortunately HHH allegedly didn't like the idea, which is a shame because the clips i saw of it had potential.
