

Royal Rumble Count-Up – 2011: They Wouldn't

Royal Rumble 2011

Date: January 30, 2011

Location: TD Garden, Boston, Massachusetts

Attendance: 15,113

Commentators: Michael Cole, Jerry Lawler, Matt Striker

This is a weird Rumble as for one year only they tried having forty people in the Rumble instead of the usual thirty. It didn't quite work so they never tried it again, but for this year as a result there are only four matches on the whole card: two world titles, a Divas match and the Rumble itself. This is one of those rumbles I barely remember. Let's get to it.

The opening video is exactly what you would expect.

Smackdown World Title: Edge vs. Dolph Ziggler

Edge is defending and if he uses the spear here, Ziggler wins the title because Vickie is a crooked boss. Dolph takes over early and pounds on Edge in the corner but gets whipped across the ring to shift momentum. This is during Cole's heel phase so he's very annoying at this point. A gutbuster gets two for the champion and he takes things to the floor. Ziggler is rammed into the apron and the barricade for good measure as Edge stands tall.

As they come back in, Ziggler grabs a neckbreaker for two and hits an elbow to the chest. Off to a chinlock as Dolph stays on the neck. The fans cheer for Edge of course and he fights up, only to get caught in a middle rope sunset flip. Edge comes back with a slingshot into the buckle and now Dolph is in trouble. A rollup out of the corner gets two for Edge but Dolph hits another neckbreaker for two of his own.

Off to the chinlock until Edge rolls out to the apron. Ziggler knocks him into the barricade and it's back inside for the chinlock. Edge fights up

but they both try cross bodies to put both guys down. Ziggy misses a Stinger Splash in the corner and Edge catches him in a flapjack to put both guys down again. Edge counters the Fameasser into a sitout powerbomb for two more but he can't follow up.

The champion goes up but has to fight out of a superplex. Ziggler gets knocked down and hit by a top rope cross body, only for Ziggler to roll through for two. Now the fans start cheering for Ziggler as he gets two off a dropkick. The Zig Zag misses and Edge busts out the Edgecator of all things. Dolph grabs the rope so Edge dives at him on said ropes, only to clothesline himself on them.

The Fameasser gets two and both guys are down again. A big boot puts Ziggler down for about the seventh time and Edge gets into spear position. Like an idiot, Vickie reminds him of this, allowing Dolph to catch Edge in the sleeper. Edge rolls out of it and hits the Impaler for two as Vickie pulls the referee out of the ring. Vickie slaps Edge but the champion dodges a charging Dolph into a rollup for two.

She slaps Edge AGAIN so here's Kelly Kelly to take Vickie down. In the melee the Zig Zag hits for two and a BIG pop on the kickout. There's the sleeper and while trying to escape it, Edge knocks the referee down. Edge escapes the hold with a kind of Stunner and realizes there's no referee or Vickie so there's the spear to Ziggler. The referee wakes up and Edge hits an Unprettier to retain the title.

Rating: A-. Good stuff here again although the ending is kind of stupid. Eventually Edge would be stripped of the title for using the spear (I can't remember if it was here or another match) and Ziggler would have a stupid 45 minutes or less reign. I don't think anyone, including Dolph, considers that a real reign but hey, Ziggler is a former world champion so we have to respect him, right WWE?

We recap Orton vs. Miz. The champion Miz cashed in MITB on Orton back in November and beat him in a tables match at TLC. Tonight it's an actual match which means Miz is likely in trouble.

Miz says he'll win.

Raw World Title: The Miz vs. Randy Orton

Miz has Riley with him here. Orton pounds away to start as Cole is already on his knees to suck Miz off. The champ is knocked out to the floor and gets sent into the barricades a few times. Back in and Orton kicks him in the face before stomping away a bit. Cole is already on one of his rants about how noble Miz is in comparison to Edge. Orton chokes on the ropes a bit as Cole says that Orton should have stated in advance that he wanted to brawl.

Riley finally guillotines Orton on the top rope to give Miz a chance. Orton shrugs the offense off and slugs Miz down, only to miss a running knee in the corner. Cole stays on his rant about how awesome Miz is as Riley interferes some more. Cole high fives Riley and Miz hooks a chinlock for a bit. Striker continues his brilliance by saying Miz is working on the midsection to set up the SKULL Crushing Finale. A running knee to Orton's face gets two and it's back to the chinlock.

Randy blocks a German Suplex and elbows Miz down to break the momentum. Miz comes right back with a big boot to the face for two and the champion is getting frustrated. Miz goes up and gets crotched right back down, allowing Orton to hit his daddy's superplex for two. Randy starts his comeback with the clotheslines and the backbreaker to send Miz to the apron. Why would you go there against Orton? Perhaps it's because he can backdrop Orton out to the floor to counter and have Riley stomp away a bit.

A top rope ax handle gets two for Miz so he pounds away on Orton's head. Back to the chinlock but Orton fights out of this one much faster. Not that it matters though as Orton gets sent through the ropes and out to the floor where Miz catapults him into the post. Orton gets back in at nine and is all fired up, only to get punched into the corner. Randy comes back with a clothesline and the powerslam before hitting the circle stomp.

Riley breaks up something like a powerbomb, allowing Miz to hit a modified Reality Check for two. Both finishers are countered and Orton hits an Angle Slam of all things for two. I vaguely remember him using

that around this time. Miz's attempt at walking out fails but he gets in something we can't see for two back inside.

Randy gets two off a rollup and there's the Elevated DDT. Orton loads up the RKO but here's the New Nexus for a distraction. Riley tries to come in but in a great looking spot, Orton LAUNCHES Riley over the top (and over the referee) onto Nexus. The RKO hits but Punk runs in with a GTS to keep the belt on Miz. Cole literally jumps for joy.

Rating: B. I was digging this match a lot and the ending would wind up making a lot more sense than it does on paper here. While Punk would obviously go on to feud with Punk for a few months, Miz would face Jerry Lawler of all people at Elimination Chamber before moving on to the main event of Wrestlemania. Good stuff here though and one of Miz's best matches ever. Gee you hear that a lot when Orton is the opponent don't you?

Dashing Cody Rhodes will not be here tonight because of his shattered face. This would lead to Dr. Cody Doom which was pretty awesome and then wound up being wasted.

Fans say who they think is going to win the Rumble.

Divas Title: Natalya vs. Laycool

Nattie beat them in a handicap match to win the title and this is the rematch. Before anything gets going though, we have an e-mail from the anonymous GM. We're going to make it a four way just for the sake of making it a fourway and we want to have a new champion.

Divas Title: Michelle McCool vs. Layla vs. Eve Torres vs. Natalya

Nattie is defending as I said and this is one fall to a finish. Laycool goes after both other chicks to start and Eve gets double teamed. Natalya comes back with a slingshot to send Layla into Michelle as Matt actually tries to analyze this match. We get down to Laycool squaring off but before they do anything, Eve and Nattie come back in.

Layla breaks up the Sharpshooter on Eve so Natalya puts the Sharpshooter on BOTH OF THEM AT ONCE. Layla hits the neckbreaker on Eve to send her to

the floor but Michelle kicks Eve out to the floor. Michelle misses a bit boot and takes Layla's head off by mistake. She and the champ fight to the floor, allowing Eve to sneak in and steal the pin with a moonsault.

Rating: D+. That might become my default rating for Divas matches as most of them fall into the same category: not bad but nothing worth seeing at all for the most part. The double Sharpshooter was cool but it's a five second sequence out of a five minute match. Also, why am I supposed to be excited about Eve winning the title when she wasn't even important enough to put into the match in the first place?

Michelle is mad because she had Natalya covered at the same time but the referee didn't see it.

A cleanshaven Daniel Bryan is excited for the Rumble because he could win. He's with Gail at this point and the Bells come up to offer their condolences for trying to hook up with Bryan. The Bellas imply they're better looking than Gail and a fight breaks out.

Royal Rumble

40 entrants this year and it's Punk at #1 and before #2 comes out, here's the Corre (Barrett, Jackson, Slater and Gabriel) to surround Punk. They jump him until Punk's Nexus guys come out for the save. The GM sends an e-mail that says everyone not named CM Punk needs to get out or they're out of the Rumble. Anyway Daniel Bryan is #2 and the internet explodes.

They speed things up to start and Bryan fires off some kicks to the ribs. Striker talks about how the internet loves this match as Bryan is sent to the apron. The dueling chants begin and Bryan misses a dropkick in the corner. Justin Gabriel is #3 and immediately goes after Punk. Bryan clotheslines CM down and Gabriel misses the 450, allowing Bryan to dump Justin out.

Zack Ryder, still a heel, is #4. He immediately takes Bryan down and hits the Broski Boot to both guys. Bryan launches Ryder into the air for a Rough Ryder into Punk, only to get dumped to the floor by Daniel. Back to Punk vs. Bryan until William Regal is #5. He starts busting out the knees to the face and some suplexes before hitting the knee trembler to Punk. The student and the teacher (Bryan and Regal) slug it out before Punk kicks the teacher in the head. Bryan kicks Punk in the head for kicking Regal in the head and only Daniel is left standing.

Ted DiBiase is #6 along with Maryse. Bryan rips off kicks to Regal before trying to dump Ted out. John Morrison is #7 to a BIG pop. He comes in (after slipping) with a slingshot kick to Regal and the Flying Chuck to Punk. A C4 takes Bryan down but DiBiase dumps Morrison to the apron. As Regal is eliminated, we get at the time the best Rumble save ever, as Morrison is knocked from the apron but catches himself on the barricade.

His feet never touch as he pulls himself up to the barricade, tightrope walks down to the steps, jumps to said steps, kicks Regal in the head, and gets back in. That blew my mind live.

Yoshi Tatsu (Striker calls him the Poison Fist of the Pacific Rim because Striker likes to think he's smart) is #8 and goes right after Punk. Husky Harris is #9 and he beats everyone not named Punk before standing guard over his leader. Chavo Guerrero is #10 as these intervals are getting really short. Chavo loads up Three Amigos on DiBiase but Punk breaks it up. Now Punk takes two of them but Morrison breaks it up at two. So this time Morrison takes two suplexes but BRYAN breaks it up and finally Daniel takes all three suplexes.

Chavo takes Harris down with a middle rope missile dropkick and Mark Henry is #11. For some reason Chavo dives on him and is immediately dumped out. Yoshi is sent out as well as JTG is #12. Michael McGillicutty is #13 and he takes out JTG almost immediately before teaming up with Harris to dump DiBiase. Christ Masters is #14 and puts Punk to the apron with the Masterlock until McGillicutty makes the save. Masters and Bryan slug it out until Otunga is #15, giving Punk and the Nexus four members.

They gang up on and toss Bryan pretty easily and there goes Masters as well. There goes Morrison too and the elimination of Henry clears the ring. Tyler Reks from ECW gets to come in at #16 and you can figure out what happens to him in about 40 seconds. Vladimir Kozlov is #17 but the numbers catch up with him and it's Punk who gets to do the honors. We're just waiting for Cena to come out now.

Instead it's R-Truth at #18 and it's the same result. The only highlight is Punk hitting the knee in the corner and saying WHAT'S UP with a big goofy grin on his face. There goes Truth but Great Khali returns at #19 to scare Punk half to death. He fights all of the Nexus off and manages to dump Harris which is a big breakthrough. Khali chops Punk down and Mason Ryan, also of the Nexus, is #20. After a brief slugout he puts Khali out and we're right back where we were.

In our second major return of the Rumble, Booker T is #21 and Striker FREAKS. Booker fires off as many kicks as he can and hits the Bookend on

McGillicutty. You know we're getting the Spinarooni but Ryan throws Booker out as soon as it's over. Punk: "WE'RE GOING TO WRESTLEMANIA!" All hope seems to be lost but heeeeeeeeeere's Cena at #22. The hometown boy charges at the ring and puts out McGillicutty, Ryan and Otunga to get us down to one on one.

Cena pounds away and escapes the GTS before a double clothesline puts both guys down. Hornswoggle is #23 and is immediately kicked down by Punk. Atta boy CM! Punk loads up the GTS but Cena escapes and this the AA to toss Punk out. In next is Tyson Kidd at #24 and he gets caught between Cena and Horny. The Swogg busts out a headscissors before Cena hits the AA. In a decent visual, Horny hits an AA of his own allowing for the elimination by Cena.

Heath Slater is #25 and DEAR GOODNESS he looks hilarious in trunks. He might be as pale as Sheamus used to be and the visual is horrible. Horny hits some Sweet Shin Music and a Stunner followed by a double Five Knuckle Shuffle. There's a Tadpole Splash and Slater is gone. Cole sounds like he's about to be sick. Kofi Kingston is #26 and this should be interesting. Kofi fires off some kicks of course followed by some punches in the corner until Jack Swagger is #27.

Cole talks about the luck of #27 and Jerry correctly points out that the number is lucky in 30 man matches, not 40. Swagger hits the Vader Bomb on both full sized guys but as he goes after Hornswoggle, Kofi cross bodies Swagger down. There's the Boom Drop with horny as a stepping stone and it's King Sheamus at #28. Cena takes the Irish Curse and there's only Horny left to face Sheamus. Horny loads up Sweet Shin Music but Cena saves Horny from elimination. The tiny man loads up the Tadpole Splash but gets Brogue Kicked out, thank goodness.

Mysterio is #29 and he hits a pair of headscissors on Swagger and Sheamus but Sheamus breaks up the 619. Trouble in Paradise takes Sheamus down but Swagger takes Kofi down. Rey hits a headscissors to put Swagger on the apron and a 619 gets the elimination. Wade Barrett is #30 and it turns into a bunch of mini brawls. Winds of Change take Cena down and Ziggler is #31. There's a pretty big talent pool in there at the moment with Cena, Mysterio, Sheamus, Kingston, Ziggler and Barrett.

Barrett and Dolph go after Cena but Mysterio makes a save for no apparent reason. Diesel is the final big return at #32 and there's your big pop. This is the appearance that set up Diesel vs. HHH and Punk for the latter half of the year. Everyone is stunned but I think it's just at how black Diesel has gotten his hair. That's some high quality polish. We get a Diesel chant and he cleans house in a much more effective way than you would expect. Diesel's style is really good for something like this as he does so many basic moves but he's so big that they look that much more impressive.

Drew McIntyre is #33 and we get a LOUD let's go Diesel chant. Diesel gets caught in 619 position and in a very rare occurrence, the move gets booed. Alex Riley is #34 and Cole loses his mind when Miz's music hits again. Diesel misses a big boot and gets kicked out by Barrett. The DIESEL chant rocks the Garden as Miz sits in on commentary. Big Show is in at #35, so Striker talks about how much taller Show is than the tallest player in the NHL. For once I agree with Cole when he says "WHO CARES???" We know Big Show is tall, and simply telling us he's taller than a guy who is 6'9 doesn't change anything.

Show and Diesel have a staredown in the aisle which is a FAR better (and actual) illustration of how big Show is. McIntyre and Sheamus get dropped by Show and there's a chokeslam for Barrett. Show dumps Ziggler as Cena dumps Riley. Show shoves McIntyre out as Big Zeke is #36. He immediately throws out Show to a shockingly non-reaction. We have Barrett, Jackson, Kingston, Cena, Mysterio and Sheamus at the moment.

Santino is #37 and literally immediately breaks his record of 1 second in the Rumble. Jackson almost immediately decks him and knocks Santino to the mat and out to the floor which isn't an elimination. Remember that. Jackson tries to put Cena out and Del Rio is #38. He's still new at this point and hasn't gotten on almost everyone's nerves yet.

Striker tells us that Riley has been eliminated five minutes after it happens. Not only is he annoying but he's a bad broadcaster on top of that. Alberto wisely takes forever to get into the ring as Miz's voice sounds really hoarse. By long enough I mean Orton jumps him in the aisle at #39. There's a quick RKO to Del Rio and one for Sheamus as well. A

third hits Kofi and he's gone. Sheamus is out too and it's time for Cena vs. Orton. John points to the sign but Kane's pyro goes off at #40 to complete the field and scare Cena to death.

So we've got Cena, Mystério, Barrett, Jackson, Del Rio, Orton and Kane in the ring. I've seen far worse. Kane focuses on Orton and hits the side slam, only to be run over by Big Zeke. Jackson misses a charge though and goes out via a low bridge. Mystério jumps into a chokeslam grip but Rey headscissors him out, only to be dumped by Barrett. Orton goes after Alberto while Cena beats up Barrett. Cena gets sent to the apron but gets back in via a shoulder to Wade's ribs.

Things slow down again and NOW we get Cena vs. Orton. The fans barely react to it though so Barrett breaks it up. There's an AA to Del Rio and here's Riley again. He distracts Cena enough to have Miz run in and dump Cena to get us down to Orton, Barrett and Del Rio in the ring. There's the backbreaker to Del Rio and Orton dumps Barrett, only to have Alberto sneak in on him to win the Rumble.

Rating: A. This was a VERY well done Rumble as they hit the three act structure and had a great balance of main event guys as well as new stars and legends. While it doesn't seem like a big shock now, Del Rio had only been around for about four months. This would be like a member of the Shield winning the Rumble in 2013. Excellent Rumble though and one of the best ever.

Del Rio celebrates.....AND SANTINO CRAWLS BACK IN! He went UNDER remember so the match isn't over yet. Del Rio doesn't see him coming and Santino hits the Cobra! Cole: "OH MY GOD!!!" He goes for the elimination but Del Rio reverses and dumps Santino out to really win. I remember watching this and my heart STOPPED as soon as Santino got back in. The exact words I said: "THEY WOULDN'T! THEY COULDN'T! Oh they didn't." This makes the match even better as the fans LOST IT when he got back in.

Ricardo is literally on the floor screaming Del Rio to end the show.

Overall Rating: A. The worst and only bad match was the Divas and you have looks in that one so how can this be anything below great? 2011 was the start of the good period for WWE and they kicked it off with a bang

with a great Rumble here. This is an excellent show and well worth checking out. Good stuff here.
