

Went To NXT Takeover: Dallas

I'm half dead already so no full live report at the moment (though the full reviews are coming eventually) but here are some quick highlights. 1. American Alpha is so over it's scary.

2. The Aries match ended REALLY fast, almost to the point that I thought Aries was injured.

3. The Zayn vs. Nakamura match woke everyone up like few matches I've ever seen. That was amazing live.

4. "BOTH THESE GUYS" is the best chant they've had in a long time.

5. The ending of the women's title match really didn't work as it just ended out of nowhere. Also Asuka needed to work on the shoulder to set that up.

6. The towel was the biggest heel of the night.

7. This wasn't a great show and is probably in the bottom tier of Takeovers.

8. I was tired at this show so a second viewing might severely change my mind.
