

They're Really Doing Another Brand Split

And Smackdown is going live starting July 19.

This is uh.....well it's certainly something. For one thing it's going to prove that just having Smackdown live isn't going to change things, though with the announcement that a McMahon is going to be in charge of the show, maybe things get a little more interesting. Anything that makes WWE care about Smackdown and pay more attention to it is a good thing, but I'm going to need a lot more details before I consider this the saving grace for the blue show.

What I do consider my own saving grace though: Impact is screwed to the wall.
