

# The Miz/Daniel Bryan Promo

Indeed it was awesome and indeed it did feel a little shootish. Unfortunately I have no reason to believe it's going to lead anywhere because this kind of thing has happened before and is never mentioned on TV. If that happens it could be interesting, but I hope it doesn't lead to Bryan getting back in the ring. I just don't need to see it again and risk even more injuries.

I've been singing Miz's praises for years and hopefully this makes more people realize how awesome he is.
