

# Picked Up Post-Wrestlemania Raw/Smackdown Tickets

They're doing a combo deal next year so I could get tickets for both shows in one shot. Also, Orlando has gone WAY better than Dallas so far as I paid 150 for a nosebleed seat at Wrestlemania XXXII and now I've got upper deck for XXXIII, Raw and Smackdown for 193. Indy shows/Axxess tickets upcoming.

As usual, thank you all for letting me be able to do this. You're basically paying for this stuff (well, along with the wife needing to find something for Christmas/my birthday) and it's the most fun I can have as a wrestling fan.
