

Greetings From Orlando

So in case I forgot to mention it, I'm back at Wrestlemania this year but since the wife is visiting family, I can go to WAY more stuff than I did last year. On the schedule this year:

Minimum of 3 signings (might be four depending on time)

Two indy shows

Axxess

Wrestlecon

Takeover

Wrestlemania

Raw

Smackdown

Therefore, as you might expect, the regular shows will be a bit late. Smackdown will be up tomorrow, assuming I don't go to the Orlando Magic game. I'll have my live reports up as soon as I can as well.
