

Wrestlemania XXXIII Preview: Raw Women's Title: Bayley vs. Nia Jax vs. Sasha Banks vs. Charlotte

When booking goes stupid.

Where in the world to begin here? So Bayley won the title in a nothing title change and now gets to defend in a four way for the title because that's what the fans want to see. I guess they don't want to go with another triple threat, even though the story calls for a three way at worst and a Bayley vs. Banks match at best. Jax is there because....I really have no idea actually.

I'll go with Banks winning to set up Bayley's second title win, because you're not a REAL champion until you've won a title three times or so. As long as it doesn't end with Charlotte getting a sixth title reign this fast for the sake of making her a second Ric Flair, I should be fine. There's no secret that this should be Bayley FINALLY beating Charlotte for the title but we needed a surprise instead so screw logical booking.
