

# Alberto El Patron Stripped of GFW World Title, Still Suspended

<https://wrestlingrumors.net/alberto-el-patron-stripped-gfw-world-title-still-suspended/>

I'm kind of surprised but at the same time very glad. Until now, he had a (possibly paid) vacation and got to miss two house shows and no TV. That's not exactly a punishment, but this feels like something different for a change. Well done GFW, as maybe ANYONE more interesting can be champion now.
