

# New Book: KB's Monday Nitro and Thunder Reviews Volume VI

A comprehensive look back at every episode of WCW Monday Nitro and Thunder from July – December 1999. This is a rather bad time for WCW as everything is starting to fall apart due to a combination of horribly boring wrestling and some rather questionable booking choices. With the good old boys no longer doing the trick, the solution was to bring in the star of WWF Creative: Vince Russo, meaning it's all downhill from there. In this book, every episode of both shows in the second half of 1999 is reviewed in full, complete with analysis, ratings and complete content included.

The book is available on Amazon both in a physical paperback for \$10.99 or an e-book format for \$2.99. In case you don't have a Kindle, there are plenty of **FREE** apps you can get from Amazon for pretty much any electronic device, all of which are available at this [link](#).

Or if you're in another country with its own Amazon page, just search "KB Nitro VI" and it should be the first thing to come up.

Also you can still get any of my previous books on the WWE Championship, the Intercontinental Championship, Monday Night Raw from 1997, 1998, 2001 and the first half of 2014, Monday Nitro from 1995-1998, In Your House, Summerslam, Starrcade, ECW Pay Per Views, Royal Rumble, Saturday Night's Main Event, the WWF and WCW pay per views from 1998, Wrestlemania, WWE Grab Bag and Clash of the Champions at my author's page [here](#).

I hope you like it and shoot me any questions you might have.
