

Royal Rumble Count-Up – 2013: He Rock(s)

Royal Rumble 2013

Date: January 27, 2013

Location: US Airways Center, Phoenix, Arizona

Attendance: 13,00

Commentators: Michael Cole, John Bradshaw Layfield, Jerry Lawler

This show was only a year ago and I can barely remember anything about it. Aside from the Rumble the big matches are the Rock challenging CM Punk for the WWE Title in the most obvious ending ever and Alberto Del Rio defending his newly won World Heavyweight Championship against Big Show in a last man standing match. Other than that we've only got HELL NO vs. the Rhodes Scholars to complete the card. Let's get to it.

Pre-Show: US Title: The Miz vs. Antonio Cesaro

Cesaro is defending. This is just after Flair passed the Figure Four to Miz, starting the worst period of his career. Miz grabs a headlock to start and gets two off an elbow to the jaw. The headlock takes Cesaro down to the mat but he fights up and grabs one of his own. Back up and Miz tries a leapfrog but gets caught in midair with a tikt-a-whirl backbreaker for two. The champion takes over and cranks on both of Miz's arms before getting two off a Michinoku Driver.

A hard European uppercut sets up the gutwrench suplex for two and it's back to the double arm. Back up again and Miz slips out of a slam and hooks the Reality Check for two. There's the running clothesline in the corner and Miz goes up but hurts his knee on the top rope ax handle. Cesaro gets caught with his feet on the ropes, allowing Miz to get two off a rollup. Antonio misses a running knee in the corner but is still able to roll away from the Figure Four. Cesar takes him to the floor and rams Miz into the metal underneath the ring. Miz is out cold so Cesaro Neutralizes him for the pin to retain.

Rating: D+. Miz just doesn't work in a lot of these matches and the

Figure Four doesn't work in the slightest. Thankfully he wouldn't be featured very prominently for awhile as there was just nothing to him for the most part. Cesaro still needs to get a push as he's more talented and marketable than half the roster but instead we get people like Miz.

The opening video is about time passing and how no one has enough. This ties into Punk's time as champion with Rock saying the reign ends tonight.

Smackdown World Title: Big Show vs. Alberto Del Rio

Last man standing match, which is a rematch with the same stipulations from when Alberto won the title a few weeks ago. Del Rio turned the announce table on top of Big Show so Big Show turned it on top of him a few weeks later. Alberto is shown in the back and he runs into Bret Hart for no apparent reason whatsoever. Bret says Alberto reminds him of a Mexican version of himself. Alberto calls Bret a Canadian Del Rio and Ricardo gushes, earning him Bret's sunglasses. What a bizarre cameo.

Some hard chops have Del Rio in early trouble and a slam gets a five count. Alberto chops away but jumps off the middle rope right into a chop to change control right back. The champion dropkicks the giant's knee out but the low superkick actually knocks Big Show up from his knees to his feet. A hurricanrana and a seated senton put Big Show down and Alberto gets a breather. It's amazing how much more interesting Del Rio is by doing this lucha stuff instead of his arm work. The arm stuff is good but this is such a nice change of pace.

Big Show blocks the armbreaker with one arm and slams Del Rio down, sending him outside. Del Rio gets back in as Big Show gets a chair but the champion dropkicks him in the ribs to knock it out of his hands. A series of chair shots (crowd: "SI! SI! SI!") has Big Show down but Alberto dives into a chokeslam for an eight count. We head outside again with Del Rio getting chopped to the floor with ease. This is a very slow paced match so far.

A pair of low blows puts Big Show down in the aisle but he's up at nine. Show hits something resembling a DDT on the floor before sending Del Rio into the set. He rips a piece of the set, resembling a light tube, and

blasts Del Rio over the back. Since this is WWE there's a table readily available and Big Show takes the champion on top of the set for a chokeslam through the table. The bump looked awesome but he's again on his feet at nine.

The beating takes Del Rio back to the ring and Show loads up the WMD. Alberto sees it coming and rolls outside, only to have Big Show throw Ricardo around for fun. Big Show misses a charge through the barricade (clearly heavily padded) for five but a long series of chair shots has him down again. Del Rio crushes the arm between the steps and a chair, but Alberto follows up with a fire extinguisher blast to the face for no apparent reason. Back in and the armbreaker goes on, but Ricardo ups the ante by duct taping Big Show's legs to the ropes. The giant can't get up and Alberto retains the title.

Rating: C-. This wasn't the worst match in the world but it was very slowly paced and the ending made Del Rio look more clever than tough. It also doesn't help that the match was the same gimmick they did less than a month ago. Face Alberto was a nice guy but they cut the cord just six months after this. Not bad, but Del Rio winning the title here would have been much better.

Send Slim Jims to the military!

Ziggler isn't worried about being in the Rumble and AJ threatens Matt Striker with Big E. Langston for implying Ziggler can't win. Langston does one of the most mind blowing imitations of an annoying reporter while asking Ziggler for his thoughts on the main event. Dolph has little of note to say but no one was hearing him after Big E.'s bit anyway.

Cesaro says he'll continue the streak of non-Americans winning the Rumble.

The Prime Time Players.....WE'RE GETTING RUMBLE PROMOS!!!! Anyway they say anyone that thinks they'll eliminate either of them is getting a penalty flag.

Orton says he's perfect for the Rumble because it's every man for himself.

Cena is ready for the Rumble because it means he can be champion again.

Intercontinental Champion Wade Barrett says he'll restore credibility to the Rumble.

Sheamus says he won the Rumble last year and he'll do it again tonight.

Ryback isn't any catchphrase and he doesn't eat Fruity Pebbles, but he'll see food every 90 seconds. Feed him more.

We recap Miz vs. Cesaro on the pre-show.

Tag Titles: HELL NO vs. Rhodes Scholars

The Scholars are challenging. Cody kicks Bryan in the ribs as Cole references Queen lyrics. Bryan spins out of a wristlock and the fans chant for Cody's mustache. Cody's leapfrog is countered into a surfboard and it's off to Kane for a low dropkick and a two count. Rhodes scores with a dropkick of his own and drives Kane into the corner for the tag off to Sandow. Kane easily powers Sandow into the corner because, you know, he's Damien Sandow and it's off to Bryan for the YES Kicks.

JBL rants about Cole and Lawler hugging as Kane kicks Sandow in the face, knocking him out to the floor. The FLYING GOAT takes out the challengers but Cody low bridges Bryan to the floor to take over. Back in and a half crab has Daniel in trouble but he reverses into a small package to escape. Damien comes in again and drops an elbow for two before dropping the Wind-Up Elbow.

After some knees to the back it's Cody in again but he charges into a boot in the corner. Sandow breaks up a hot tag attempt and Cody puts Bryan in an over the shoulder backbreaker. Daniel slides down to escape and makes the tag to Kane. Sandow is tossed around like a rag doll but a Cody distraction prevents the top rope clothesline. Kane grabs both guys by the throat and Bryan tags himself in. The Scholars double suplex Kane but Bryan shoves Cody into a chokeslam and Daniel YES Locks Sandow to retain.

Rating: C. Nothing you wouldn't see on Raw around this time which means it was fine. The Scholars were a nice idea for a team but it was clear

that they had no chance at this point given how low their individual stocks were. Kane and Bryan gelled perfectly well as a team and Bryan would get far bigger very soon.

Rumble By The Numbers which I've typed many times already.

HELL NO celebrates in the back when Vickie Guerrero comes up and gives them their Rumble numbers. Daniel shows Kane his but Kane won't show Bryan.

We look at the Royal Rumble Fan Fest which is another name for Axxess. This included a tournament of NXT wrestlers for a spot in the Rumble, won by Bo Dallas.

Royal Rumble

Ziggler is #1 which he picked (the other option was #2) after winning a Beat the Clock Challenge on Raw. Dolph says he'll win and doesn't care who he faces first, bringing out a returning Chris Jericho at #2. This was a complete shock and the roof is blown off the building. Also remember that Ziggler beat Jericho to send him out of the company to give us some history. The clock is at 90 seconds between entrants this year.

Jericho is quickly sent to the apron but comes back with a top rope ax handle. Now it's Dolph on the apron as the fans tell Jericho he still has it. When did Jericho ever come close to losing it? A superplex brings Ziggler back into the ring and Cody Rhodes is in at #3. Jericho hammers away on him but Ziggler gets in a cheap shot as the double teaming begins. Chris knocks Ziggler down and puts Cody in the Walls but Dolph makes the save.

Dolph catapults Jericho throat first into the bottom rope as Kofi Kingston is in at #4. Kofi immediately speeds things up and pounds away on Cody but can't hit Ziggy with Trouble in Paradise. Ziggler is thrown to the apron and all four guys try to eliminate each other at the same time in the same spot. Santino Marella is #5 and he sends all four to the apron before loading up the Cobra. Everybody is back in and even though Santino takes Kofi down with the sock, it's Cody backdropping Marella out.

Drew McIntyre of 3MB is #6 and gets to fight Kofi as everyone else takes a breather. Back up and it's time to lay on the ropes while trying to eliminate people. Jericho is sent over the ropes but he keeps his feet off the ground and gets back in. Titus O'Neil is in at #7 to add some power, including taking Cody and Kofi down with a double clothesline. Cole finally tells us that the bark is a shout out to his fraternity from Florida. Thank you for explaining that to us after two years.

Jericho throws out McIntyre but can't do the same to Ziggler as Goldust is #8. Cody gets ready for the showdown and the fans are WAY into this. They trade the kneeling uppercuts and Goldie stomps on Cody for a bit. The fans chant for Goldust and it's David Otunga (remember him?) is in at #9. The announcers ignore the match to talk about the commentators being in the Rumble last year as people start to pair off.

Nothing much happens until Heath Slater is in at #10. That gives us Ziggler, Jericho, Rhodes, Kingston, O'Neil, Goldust, Otunga and Slater at the moment. Slater fires off right hands to Kofi as Jericho calls spots to Ziggler. Dolph gets stuck on the apron again and Sheamus is #11 to clear out some bodies. He destroys everyone with his usual stuff before sending Titus to the apron for the ten forearms. Otunga is thrown onto Titus to get rid of O'Neil before ten forearms and a Brogue Kick get rid of the lawyer. Tensai, still the Japanese lunkhead, is #12.

Everybody goes after Tensai to make a big cluster in the corner. That goes nowhere at all so Brodus Clay comes in at #13. We get a Tons of Funk preview before Goldust backdrops Cody to the apron, only to get pulled to the apron as well. Cody gets back in and sends Goldust into the post for the elimination and a lot of booing. Rey Mysterio is #14 to make the crowd happy again. Ziggler and Jericho get quick 619s and the top rope splash crushes Jericho. Things slow down a bit until we reach the halfway point with Darren Young at #15.

A bunch of guys join forces to dump Brodus and Kofi puts out Tensai a few seconds later. Now we get to the part that everybody was waiting on as Kofi is knocked off the apron, only to land on Tensai's back. He jumps onto the announcers' table as he tries to figure this out. Why he doesn't just jump two feet to get onto the steps is beyond me. Bo Dallas is #16

as this is going on. Instead of the steps, Kofi gets JBL's office chair and pogos his way back to the ring. Kingston pulls Darren out of the ring but gets caught with the Disaster Kick for the elimination before he can get back inside.

Godfather gives us the nostalgia pop at #17 and is dropkicked out by Zigler four seconds later. He seems ok with that and leaves with his women. The whole point was the entrance anyway so I have no issue with that. Wade Barrett is in at #18 as the ring is getting too full. Everything slows down again and John Cena is #19 to clear out some tired people. Everybody gets ready for him so Cena comes a charging. John fights them all off and throws out Slater and Cody but can't dump Jericho.

Damien Sandow is #20, giving us Zigler, Jericho, Sheamus, Mystério, Dallas, Barrett, Cena and Sandow. Mystério and Barrett fight to the apron and a big forearm puts Rey out. Sheamus goes right after Wade as Jericho tries to put Cena in the Walls. Daniel Bryan is #21 and fires off kicks to Sandow. Now it's Barrett getting the kicks as everyone else is down. Sheamus and Bryan try to put Jericho out but he slides back in under the ropes.

Antonio Cesaro is in at #22 and gets in a fight with Sheamus as the fans start the dueling Cena chants. Everybody is back up now and Great Khali is #23. It's chops all around until things calm a bit. Kane comes in at #24 to fire things up again (get it?) but the ring is too full. It gets even worse with Zach Ryder coming in at #25 but HELL NO dumps Khali. Bryan dumps Kane but Cesaro dumps Bryan into Kane's arms. Daniel: YES! Kane shouts no and drops Bryan for the elimination in a funny bit.

Randy Orton is #26 and it's powerslams all around. Zigler and Dallas get a double Elevated DDT and it's an RK0 for Ryder, followed by the elimination. Jinder Mahal gets lucky #27 as Cesaro lifts Cena up, only to be eliminated himself. Zigler gets launched to the ropes but slides back in as Miz is #28. He gets in a fight with Cesaro in the aisle and limps into the ring to sell the ankle injury from earlier. Sheamus dumps Mahal and Sin Cara is #29.

Cara tries an enziguri on Ziggler which misses by four inches but Ziggler sells it anyway. Bo Dallas pulls Barrett out in an elimination that should have led further than it did. Miz sends Jericho to the apron as Barrett pulls Dallas out from the floor. Ryback is #30 to give us a final grouping of Ryback, Ziggler, Jericho, Sheamus, Cena, Sandow, Orton, Miz and Sin Cara. Damien is out first and Sin Cara quickly follows. Miz tries to power Ryback out and is tossed as well to get us down to six. Jericho is somehow still alive and hits a Lionsault on Cena but the springboard dropkick doesn't eliminate Sheamus.

Ziggler backdrops Jericho to the apron and superkicks him out (missed as well but he's spent at this point) but walks into an RK0. There's one for Cena as well and Sheamus gets the third. That leaves Ryback to fight Orton but the monster gets taken down with an Elevated DDT. Ryback fights off the RK0 and clotheslines Randy out to get us down to four. Ziggler DDTs Cena down but a Brogue Kick puts Dolph on the floor.

It's Sheamus, Ryback and Cena with Ryback getting double suplexed down. Cena and Sheamus make things serious by LOOKING AT THE SIGN. John takes over but Ryback runs him over with a clothesline. Sheamus escapes the Shell Shock, looks at the sign, and hits White Noise on Ryback. The Brogue Kick is countered with a backdrop to eliminate Sheamus and we're down to two.

They LOOK AT THE SIGN and do their signature taunts before Ryback spinebusters Cena down. The Meathook is countered into the STF and Ryback passes out, leaving him as dead weight. Ryback fights out of the corner and Cena's head into the mat. He loads up a powerslam but Cena slips out the back and shoves Ryback out for the win and title shot at Wrestlemania.

Rating: B. It's a good but not great Rumble. That being said, there was almost no other option to win here, even though it set up the rematch that no one wanted to see. There's certainly some good stuff in it and there were no down spots, but you would expect more big moments than we got here.

Coming Home ad for Wrestlemania. That still should have been Wrestlemania

XXX.

We recap CM Punk vs. The Rock. It's a basic story: Punk has been champion for 434 days and Rock is getting a title shot because he's the Rock, which was kind of a lame reason, especially when the shot was announced six months ago. That began a countdown that made everything Punk did meaningless, because there was no way it would be anyone but Rock taking the belt from him here. Yeah Punk got in some shots on Rock before the match, but this was as much of a layup as you could get. Also if Shield or anyone interferes, Punk is stripped of the title.

Rock, after waiting for them to chant his name, says he isn't worried about Shield, even though they busted up his lung recently. He goes on a rant about how many hard things he's been through, but redeems himself a bit by talking about his mom getting cancer but beating it to be here tonight. Punk has said that the people don't count but Rock says every single one of them count to him. He reaches his hand out to everyone that believes in the Rock so he can get their power, if you smell what he's cooking.

Raw World Title: The Rock vs. CM Punk

Punk of course has Heyman with him. He charges right into the brawl and actually pounds Rock down into the corner. A quick Rock Bottom is countered but Punk is sent outside. Rock follows him outside and sends the champion into the barricade before loading up the announce table. Punk comes back with a shot to the ribs and puts the table back together in a great bit. Back in and Rock scores with more right hands to knock Punk to the floor again.

Punk is whipped into the barricade one more time but he gets a boot up to stop a charging Bull. He finishes fixing the announce table instead of following up on Rock before dropping Rock ribs first on the barricade. They head inside again for a body vice from CM followed by a knee to the ribs for two. Off to a freaky looking hold where Punk pins Rock's shoulders down but pulls back on his head to crank on the shoulders and back.

More choking follows and a knee to the back has Rock on the apron,

followed by a springboard dropkick to send him outside. Punk tries a top rope ax handle to take Rock down but injures his knee in the process. Rock scores with some kicks to the knee but the champion easily sends him out to the floor to stop the comeback. Back in and Punk misses the springboard clothesline and reinjures the knee, giving Rock his opening.

A DDT gets one on Punk but he fights out of the Rock Bottom. The GTS is countered into a Sharpshooter attempt but Punk counters into the Anaconda Vice in a nice sequence. Rock rolls over into a cradle, forcing Punk to let go of the hold. Back up and tries the Rock Bottom but Punk counters into a rollup for two, only to be countered into a low seated Sharpshooter. Punk is next to the rope so naturally he takes thirty seconds to get the break.

Rock takes him to the floor and loads up the announce table again. They fight on top but Rock counters a GTS attempt into what was supposed to be a Rock Bottom but was really more like the table collapsing with Rock's arm around Punk's chest. Rock comes up holding his knee and both guys make it back in at an eight count. Punk scores with a high kick but both guys are down.

Back up and Rock wins a slugout before scoring with the spinebuster. He loads up the People's Elbow and there go the lights. Cole can see Shield pulling Rock to the floor and powerbombing him through the table. The lights come back up and Rock is laid out as the referee has no idea what's going on. The announcers try to tell Mike Chioda what happened and Punk feigns innocence.

He throws Rock back in for the pin and celebrates but here's Vince to say Punk is stripped of the title for the interference. Rock says no and to restart the match. The bell rings again and Punk stomps away as JBL threatens to put Cole through a table for playing cheerleader. The Macho Elbow gets two but the GTS is countered into a spinebuster, setting up the People's Elbow to end Punk's reign.

Rating: B. It's another good match but it felt like they were dancing around for twenty three minutes before we got to the obvious ending. The Shield stuff was a decent fake out but it really didn't need to be there.

Rock winning was obvious though and that really put a ceiling on how high this was going to get.

Rock celebrates for about three minutes to end the show.

Overall Rating: B. Yeah it's a good show overall, but the major problem is obvious: there was no other possibly ending other than Rock vs. Cena at Wrestlemania 29 and almost everyone knew it. The show is definitely entertaining and actually really good at times, but it was so telegraphed up and down the card that it offers almost no excitement at all, even on the initial viewing. Still though, worth checking out if you have nothing else to do.

That original overall rating is too high for what I gave everything else. Also I think the original last man standing match rating is closer to the accurate one. It just didn't hold up as well on a second viewing, but it was good.
