

New Book: NXT: The Full Sail Years: From Dallas To New Orleans

What more is there to say about NXT? The promotion, which started off as nothing more than a developmental territory to build up some of WWE's stars, has taken on a life of its own. There have been more classic matches, more stars made and more great moments there than anywhere else in recent wrestling memory.

In this book, I'll be breaking down over one hundred more episodes of NXT plus ten live specials, ranging from the first show after Takeover: Dallas through Takeover: New Orleans. I'll also be breaking each one down match by match and segment by segment. Included will be analysis and ratings for the shows to see what worked and what didn't.

The book runs about 450 pages and is available on Amazon both in a physical paperback for \$11.99 or an e-book format for \$2.99. In case you don't have a Kindle, there are plenty of **FREE** apps you can get from Amazon for pretty much any electronic device, all of which are available at this [link](#).
