

Pick A Summerslam For Me To Redo

It's that time of year again. Starting on July 20, I'll be posting a new Summerslam review every day until the 2018 edition on August 19. As I do every year, I'll be redoing both last year's show and one more that you all get to pick. Use the comments to vote on which one you want me to do. It can be any in the show's history, save for 2002, 2003, 2013 and 2016, which I've done recently enough. Vote away.
