## Summerslam 2010

Date: August 15, 2010

Location: Staples Center, Los Angeles, California

Attendance: 14,178

Commentators: Matt Striker, Michael Cole, Jerry Lawler

Tonight's show focuses on one idea: the Nexus Invasion. Back in February of 2010 ECW was replaced by a new competition show called NXT. Eight rookies tried to become the next WWE Superstar with Wade Barrett winning the competition. One night in June, these eight men invaded Raw and took over the arena to end the show. Over the next three months, these men, now called Nexus, terrorized the company and John Cena in particular. Tonight it's Team WWE vs. Nexus in a Survivor Series elimination tag match. We also have Kane vs. Mysterio and Orton vs. Sheamus in the title matches. Let's get to it.

The opening video is about how change can affect so many things, such as Nexus destroying everything in sight.

Intercontinental Title: Kofi Kingston vs. Dolph Ziggler

Dolph is defending and has Vickie with him. These two have fought a ridiculous number of times, even trumping Edge vs. Cena. Ziggler took the

title nine days ago with Vickie's assistance. Vickie's EXCUSE ME is finally cut off by Kofi's music. Kingston quickly takes him down and stomps away before clotheslining Dolph to the outside. A suicide dive totally misses though and Ziggler gets a breather.

Back in and the champion pounds away before getting two off a neckbreaker. We hit an early chinlock but Kofi is out of it in a few seconds. Instead Dolph sends him face first into the buckle for two before hitting a Hennig neck snap for two. Off to a reverse chinlock for a few moments until the jumping elbow drop gets two for Dolph.

We hit chinlock #4 but Kofi gets bored and goes off on the champion before hitting the Boom Drop. The middle rope cross body is rolled through, getting a two for Dolph as things speed up. A Fameasser puts Kofi down for two more but he pops up and clotheslines Dolph back down. The champion avoids Trouble in Paradise and hooks his sleeper but the Nexus runs in for the DQ.

**Rating:** D+. These two are capable of having far better matches if they don't have to kill time until the run-in ending. Far too much of the match was spent in the chinlockery and it's a rare bad opening match for Summerslam. Kofi continues his career path as Ziggler is about to start his climb to almost the top of the company.

Ziggler bails and Nexus destroys Kingston. Barrett talks about how Team WWE only has six men but the seventh doesn't matter because Nexus is going to destroy them. This felt like the opening of Raw.

Jericho begs Mr. MITB and the US Champion the Miz to be on Team WWE. Edge is on the Miz's other side eating a Slim Jim because Edge is awesome. Jericho says Miz doing this in LA could be bigger than Titanic or Avatar Miz doesn't seem interested.

Divas Title: Alicia Fox vs. Melina

Alicia is champion and the flavor of the month of the division. Melina has on a headdress that makes her look like a peacock. She looks...stupid. Melina takes forever taking off her furry boots before we're finally ready to go. After they stare at each other for a good while Melina

shoves her into the corner and then they stare at each other some more. The champion takes it to the mat with a headlock before Melina comes up with forearms. Off to a kind of Indian Deathlock with a curb stomp to Fox followed by a pair of knees to Fox's ribs.

Some more forearms have Fox in trouble but Melina lands on her bad knee which cost her eight months off. The knee is good enough for Melina to superkick Fox, only to be sent shoulder first into the post. Back in and Fox goes after the arm because she's not that bright. Melina realizes how stupid this is and makes her comeback with a kick to the ribs. A LOUD scream sets up a kick to the back and kind of a Diamond Cutter faceplant for the pin and the title.

**Rating:** D-. Both girls looked great but my dear merciful goodness Fox was embarrassing out there. When Jerry Lawler is making fun of you for having a lack of psychology, it's a bad sign for your match. The Divas division hit a black hole after Trish and Lita left and this was a great example of how bad it was getting.

Post match Josh Matthews goes in to talk to Melina but here's Laycool to interrupt. They're the co-women's champions here after literally tearing the belt in two. They try to take a picture with Melina but she kicks them both in the ribs. Layla trips Melina up though, allowing Michelle to clearly not make contact on a big boot. Fox tries to join in but gets beaten down as well. The titles would be unified next month.

Trace Adkins, Marlon Wayans and Michael Clarke Duncan are here.

We recap Big Show vs. Straight Edge Society. Mysterio had won a match against Punk, forcing him to shave his head. Punk wore a mask to hide it but Big Show ripped it off to humiliate him. Punk's Society (Luke Gallows, Joey Mercury and Serena) got together and broke Big Show's hand in a segment much funnier than it should have been due to Big Show's face while being choked out.

### Big Show vs. Straight Edge Society

Three on one handicap match. Punk has already grown his hair to a bit shorter than it is in 2013. We continue the awesome that is CM Punk as he

wears a shirt saying "I Broke Big Show's Hand", which is a reference to Greg Valentine's "I Broke Wahoo's Leg" shirt from about thirty years ago. Show takes off his cast to reveal that the hand is fully healed and to freak Punk out a bit.

Mercury charges right into a chop and Gallows gets the same. The Society has to tag in and out here so Punk calls a conference on the apron. Gallows and Mercury jump Big Show and apparently tagging isn't required here. Show easily throws away the lackeys and palms Mercury by the head, throwing him over the top and onto Gallows. Punk is the only one left now and a few shots to the back easily put him down. Show misses a chop and hits the steps, giving the Society an opening to go after the hand.

The Society pounds away with really basic stuff as we're just waiting on the comeback. Punk charges into a back elbow and Show cleans house for a bit until Punk hits a high kick to slow him down. Some running knees in the corner stagger the giant before a double DDT from Punk and Mercury gets two. Punk goes nuts on the hand but Show picks him up on his shoulders. After dropping Punk over the top, the lackeys are destroyed again and Show chokeslams Mercury onto Gallows for a double pin.

**Rating:** D. Another dull match here as Big Show never once felt like he was in any kind of danger at all. That was the problem with this whole feud: Show treated Punk like an annoyance rather than an opponent. This would lead up to the destruction of Punk in a one on one match next month because Big Show needed that push right?

Kane is standing by Undertaker's casket and talks about getting revenge on Rey Mysterio for attacking Undertaker. Raw World Champion Sheamus comes in and proposes an alliance but Kane wants no part of it. Kane says Sheamus has guts and they'll be on the floor if he interrupts Kane again. Sheamus is still a heel here and is actually pretty awesome.

Speaking of awesome, here's Miz to answer Jericho and Edge's offer from earlier. Miz doesn't care if the fans want him on the team or not because he's the missing link in the WWE chain. Earlier today Cena admitted he was wrong about Miz and brags about Bret Hart begging him to be on the team on Raw.

Jericho gave Miz a Fozzy CD but Miz threw it away. Miz's former partner John Morrison admitted Miz was the HBK of the team, Edge gave him Slim Jims and Truth wrote him a rap. Miz is the future and brags about how much bigger he is than everything else. He actually agrees to be on the team tonight but the fans aren't allowed to do his catchphrase with him. Cole loses his mind over Miz's announcement.

We recap Orton vs. Sheamus. There isn't much to say here as Orton won a three way over Edge and Jericho on Raw to earn the shot. Sheamus won the title at Fatal Fourway with the unintentional assistance of Nexus. Sheamus has been hurting a lot of people lately and he claims Orton is the next victim.

### Raw World Title: Sheamus vs. Randy Orton

Orton is challenging if that somehow wasn't clear. This is during Orton's bare arms phase which was always a strange look. Cole lets us know that if anyone interferes on Sheamus' behalf, they're suspended. If Orton loses, he gets no rematch. Sheamus shoves him into the corner and shouts in his face. It works so well that he does it again, earning him right hands to the face. Orton stomps Sheamus down into the corner and hits a hard clothesline to put him down again.

Orton drops him with another clothesline and a third to send the champion to the floor. The fourth straight clothesline sends Sheamus into the crowd but Orton has to go back inside before the ten count. Back in and Orton hits the circle stomp for two and a catapult into the bottom rope sends Sheamus outside again. The champion FINALLY gets a breather by sending Orton shoulder first into the steps. They're doing the methodical build here which implies they have a lot of time.

Sheamus takes over with the power brawling via a knee to the ribs and a reverse chinlock. Back up and Orton counters a suplex but the Elevated DDT is countered into a backdrop to the floor. Sheamus rams Orton's back into the barricade and the look on Orton's face is great. Back in and a hard ax handle to the head gets two. This is surprisingly good stuff so far which leaves me with little to talk about.

Sheamus grabs something resembling a cross face chicken wing as is the

case with most guys who come out of FCW. That's one of the problems with one training area: you get a lot of the same spots from guys. Orton comes back with kicks to the ribs but another ax handle to the face takes him down. Back to the chicken wing and Sheamus channels his inner Jericho, telling the referee to ask him. Back up and Orton suplexes Sheamus down but can't follow up.

They slug it out with Orton taking over. The fans are WAY into Randy here. A bad powerslam puts Sheamus down which Cole calls "A malignant growth of momentum." Lay off the JR metaphors dude. A superplex gets two for Randy but he walks into the Irish Curse (note that at this point, the High Cross (Razor's Edge) was called the Irish Curse. I'm using the more well known move: the Rock Bottom backbreaker) for two.

The Brogue Kick misses and Sheamus falls to the floor, only to be caught in the Elevated DDT as he comes back inside. The RKO is shoved off for two but Orton escapes the Irish Curse. Brogue Kick is only good for two which is a very rare sight to see. What isn't a rare sight tonight is a bad finish, much like here as Sheamus gets himself disqualified for a chair shot.

**Rating:** B-. Bad finish to a good match here. Sheamus is getting better and better which makes you wonder why they book him so badly in present times. The guy is clearly talented but he hasn't had to really work hard to beat a guy in months. This was a good match though and they clearly have chemistry together.

Post match Orton snaps and kicks Sheamus low before RKOing him onto the announce table. The fans want Miz but get a trailer for John Cena's new movie instead.

We recap Kane vs. Mysterio. Kane won MITB and cashed in the same night to win the Smackdown Title over Rey. This was at the same time that someone had attacked Undertaker and left him in a "vegetative state" because we can't say coma in WWE. Kane swore to find who did it but Mysterio accused Kane of doing it himself. Tonight is the rematch and somehow a way for Kane to prove his innocence.

Smackdown World Title: Kane vs. Rey Mysterio

Kane brings out a casket and I think you know where this is going. Kane hits a quick slam to start but Rey avoids an elbow drop. Rey tries to fire off some offense but Kane easily throws him around. The 619 is easily countered and Rey is sent to the floor. He slides back in and hits a quick baseball slide to get an advantage. Back in and Kane punches him off the top rope before ramming Rey back first into the post over and over.

Kane drops him ribs first over the top rope and slaps on a bearhug to keep things slow. Rey forearm out and dropkicks Kane in the chest, only to have Kane clothesline him down on a 619 attempt. Mysterio is sent chest first to the floor and kicked off a springboard to the floor. Kane follows him out but gets caught in a drop toehold into the barricade. Back in and a springboard headbutt to the chest gets two on Kane but he backbreakers Rey down again.

There's a nice story going here of Rey speeding things up but Kane easily stopping him with power stuff. Power vs. speed is going to work almost every time and it helps that both guys are very talented. Kane bends Rey's back over his knee before getting two off a side slam. Mysterio manages to break up the top rope clothesline but a rana attempt is easily blocked.

Now the clothesline misses and Mysterio counters another backbreaker into a tilt-a-whirl reverse DDT (here's a good example of why Matt Striker is annoying. He calls it a Slop Drop, which is another name for a reverse DDT, but come on: does ANYONE think of the Godwinns when they see that move? Is there some Godwinn fan base out there that he's trying to appeal to? It comes off like him trying to sound smart without adding anything at all). The seated senton puts Kane down and a spinning DDT gets two more.

A hard kick to the face gets the same but Mysterio dives into an uppercut. Kane opens up the casket to show that it's empty but Rey sends Kane into the ropes. The 619 is caught and Rey is thrown into the casket but he kicks out of danger. Now the 619 connects but Kane gets the feet up on the springboard splash. Rey stops in mid jump though and gets two off a rollup, only to be chokeslammed to death for the pin.

**Rating:** C. This was about as good as this match could be. At the end of the day, it's almost impossible to buy Mysterio as a physical threat to a guy the size of Kane. Yeah something like the 619 could stun him but it's hard to believe anything but that or a rollup is going to get more than a one count. That's not to say either guy is bad, but it's the problem with a guy Mysterio's size.

Post match Kane wants to make Rey pay for what he did to Undertaker. He promises to make Mysterio hurt for eternity and lays him out with two chokeslams and a tombstone. Kane goes to the casket and yep Undertaker is inside. HOW DID HE DO THAT I ASK YOU!!! Taker asks the half dead Rey what happened but Rey says no. The brothers go at it and Kane beats Taker down, I guess turning heel again and shocking no one. The idea is that Taker is still banged up and doesn't have his full powers back yet.

Video on Axxess.

We recap Nexus vs. Team WWE. I think I've covered this well enough but it's the first season of NXT coming to the main roster to try to take over the company. Over the last few months they've attacked various people and tonight it's about revenge. Great Khali was originally on the team but was taken out by Nexus, leaving Team WWE with just six guys. Team WWE (also called Cena's Army) is having a lot of problems with Jericho and Edge quitting over Cena's leadership, only to come back later.

#### Nexus vs. Team WWE

Nexus: Wade Barrett, Justin Gabriel, Heath Slater, Michael Tarver, David Otunga, Justin Gabriel, Skip Sheffield

Team WWE: John Cena, Bret Hart, Chris Jericho, Edge, R-Truth, John Morrison, ???

You should know most of the Nexus, though Sheffield later changed his name to Ryback. As for Team WWE, Miz isn't the last man. He comes out but Cena stops him, because it needed to be someone who made his decision earlier. Instead it's.....DANIEL BRYAN! This requires a backstory. The night Nexus debuted, Bryan was a member of the team. However he got fired for

choking ring announcer Justin Roberts with a necktie as it wasn't PG. Tonight is Bryan's return and he wasn't a surprise at all. See, WWE.com actually spoiled the return by mistake, ruining it for anyone who saw the website before the match.

It's a huge brawl to start and Cole RIPS into Bryan for the sake of Miz. Bryan starts with Young and a quick LeBell (YES) Lock makes it 7-6 in less than 45 seconds. Justin Gabriel is in next and gets to fight Chris Jericho for his troubles. Some kicks to the ribs allow for the tag to Truth as things speed up. A suplex into a Stunner is good for two but Gabriel comes back with a spin kick to the face. Off to Tarver who was about as worthless as you could ask for a man to be.

Tarver charges into a boot in the corner and it's off to Morrison to clean house with some dropkicks. The Flying Chuck (Disaster Kick) sets up Starship Pain (split legged twisting moonsault) for the second elimination. The remaining five members of Nexus hit the floor for a meeting before everything falls apart. Sheffield gets the nod and easily throws Morrison around. A big powerslam puts Morrison down and some snap suplexes work on his back even more. Morrison tries a comeback but Gabriel kicks him in the back of the head, allowing Sheffield to hit a big clothesline for the elimination.

Truth comes in and another clothesline ties the match up maybe twenty seconds later. Jericho comes in but gets sent into the buckle, allowing for the tag off to Barrett. Otunga is in a few seconds later, before he got good in the ring. Now let that one sink in for a minute. Anyway back to Barrett to crank on his NXT mentor's arms but Jericho gets a boot up in the corner. A clothesline puts both guys down and it's a double tag to Slater and Hart.

Old Man Bret pounds away on Heath for a few moments and doesn't look half bad doing it. It doesn't have the same snap that it used to but Bret's offense still looks good. He puts on the Sharpshooter but Wade slides in a chair. Bret lets go of the hold and cracks Sheffield over the back in self defense, drawing a DQ. There really wasn't another way to get rid of him due to an inability to take bumps. Sheffield staggers to his feet and walks into a Codebreaker from Jericho followed by a spear from Edge to

tie us up.

To recap it's Cena, Jericho, Edge and Bryan vs. Gabriel, Barrett, Otunga, Slater. On paper, this should be pure domination. Gabriel is in to face Edge but after scoring some kicks to the chest, Justin walks into an Edge-0-Matic for two. A big spin kick puts Edge down and it's off to Slater, whose shorter hair makes him look like an even bigger tool than he does today. Slater pulls Edge into the corner for the tag off to Barrett who hooks the chinlock. Edge quickly fights up and scores with a spinwheel kick but gets caught in a swinging neckbreaker.

Back to Otunga who is almost booed out of the building. A standing spinebuster is easily countered into Edge's Impaler and there's the tag off to Jericho. Has Cena even been in yet? The running bulldog sets up the Lionsault and the Walls are good for the submission from Otunga. Jericho immediately knocks Slater off the apron and into the announce table to take him down. Back in and the top rope back elbow has Heath reeling but Jericho almost runs into Cena, allowing Slater to hit his running sleeper drop to pin Chris.

Edge comes in to yell at Cena but Slater rams him into John for a rollup pin thirty seconds later. Edge lays out Cena and Jericho adds a few kicks to the ribs of his own. So we have Cena/Bryan vs. Slater/Gabriel/Barrett with Cena getting caught in the Nexus corner. Barrett comes in to pepper Cena with rights and lefts before it's off to Justin to crank on the arm. Cena tries to fight back but walks into a side slam from Barrett for no cover. John comes back with a quick fisherman's suplex but Slater breaks up the hot tag attempt.

Cena hits a hard clothesline to put Slater down and dives for the hot tag to Bryan. Daniel comes in with a quick German suplex on Slater as Striker calls for Cattle Mutilation, which means absolutely nothing to most WWE fans. Bryan backflips over Slater in the corner and hits the running clothesline before sending him to the floor for the FLYING HAIRLESS ANIMAL! Back in and Bryan hits the missile dropkick and counters a rollup into the LeBell Lock to get us down to two on two.

Bryan looks at Nexus but here's Miz to blast him in the back with the

MITB case, giving Barrett an easy pin. Gabriel hits a hard right hand in the corner to put Cena down but Cena comes back with his finishing sequence to take Gabriel down. He loads up the AA but Barrett makes a blind tag and breaks it up with a shot to the head.

Nexus stomps away on Cena in the corner and a big boot from Wade sends him to the floor. Gabriel and Barrett peel back the mats at ringside and a DDT on the concrete knocks Cena out cold. Back in and Gabriel misses the 450, allowing Cena to score a quick pin. Barrett comes in and gets caught in the STF out of nowhere for the final elimination 20 seconds later.

**Rating:** C+. The match was entertaining and never dragged, but the ending doesn't hold up when you take it out of the moment. Now one thing that does need to be kept in mind is Cena wasn't in the match until over twenty minutes after the start so he was hardly banged up until the very end. That DDT on the concrete is a bit too much to take though, as Cena goes from out cold to fine in less than a minute. I can't quite buy that.

This also brings up to the problem with Nexus: they never really won anything. At the end of the day, Barrett was the only one to have any success for a long time and to this day he's one of two of the seven here to do much of anything. You have Ryback doing pretty well, but the rest are all midcard to lower card guys who haven't accomplished much. As of August 2013, Tarver is gone, Otunga and Young are lucky to have jobs, Slater is a comedy jobber and Gabriel is a Superstars mainstay. That's what killed Nexus: at the end of the day, they were a bunch of jobbers who swarmed big names and nothing more.

**Overall Rating:** D. This is a pretty terrible show with only two matches being decent at all. The main event is pretty good but it's absolutely nothing worth going out of your way to see. Nexus fizzled out so badly that their existence is really just a big footnote anymore. Bryan wound up being the big star out of all of them and he was literally on the team for one night only. Nexus would go on to do nothing but annoy fans over the next few months, even with new members and Punk as a leader. The show isn't worth seeing and thankfully things would pick up next year.
