

Which Survivor Series Should I Redo?

It's that time of year again as Survivor Series is almost upon us, meaning I need to get another redo done. As usual, I'll let you all vote on which I do. I'll be doing the 2017 edition again, but you get to pick another one for me to look at. Your options are any edition other than:

1988

2002

2003

2016

As I've done those within the last year or so. Vote in the comments.
