

# Becky Lynch's Survivor Series Replacement Named

And uh....yeah. It's Charlotte, because who needs Wrestlemania when you can have bragging rights?

Now I'm not ready to write this one off yet, because Becky interfering for a screwy finish would bail them out of this and keep it from being a definitive winner. If that's the case, then it's all well and good. Otherwise, as in if this has a clean finish, I have no idea what they're possibly thinking.
