

Mean Gene Okerlund Passes Away at 76

<https://www.wwe.com/article/mean-gene-okerkund-passes-away?sf205241548=1>

Oh come on now. You can't take away Mean Gene. This one hurts as he was one of those guys that was always around back in the day and would still pop up every now and then. I got to meet him at Axxess in 2016 and apparently he thought my wife was attractive. I was flattered....I think. Hopefully this isn't a trend for the year.
