

# So That's How They're Getting Out Of It

Someone is out of the Rumble.  
<https://www.wwe.com/shows/raw/article/john-cena-injury-mens-royal-rumble-match-question>

John Cena is questionable for the Royal Rumble, which might be their way of getting Cena back on the movie set in time. Nothing wrong with that, and Cena put Balor over before he left. Kind of annoying to false advertise him, but I like this better than him just leaving again.
