

CM Punk Might Have Run In At An Indy Show

Darn the mask.

<https://wrestlingrumors.net/tommyhall/video-cm-punk-interferes-gets-physical-indy-show-think/>

It's pretty much what the title says. Silas Young claims that it was Punk under the mask, though he very much could be working the fans. Check out the video and see what you think. If it's Punk, cool, though I wouldn't bet on it meaning much going forward. If not, it's cool to see fans can still be worked.
