

The Jon Moxley Video

Oh I think this is going to get people talking.

For the uninitiated, Moxley is Dean Ambrose's indy name and a very, very different person than Ambrose. Moxley is loud, angry, violent and bloodthirsty, or basically the character that WWE signed and then cut the legs out from underneath. There are all kinds of things in the video that could mean something:

Escaping from prison (Or maybe an asylum?)

Being chased by a Big Dog

Dice on the wall

The Viper Room (I know it's a real place)

And probably more than I'm missing. Ambrose showing up at Double Or Nothing wouldn't shock me, though he would instantly be the biggest name on the roster. If that's what he wants to do then good for him, but it's quite the place to be in such a hurry.
