

Chris Jericho Loses AEW World Title

100% serious and in a very interesting way.
<https://wrestlingrumors.net/tommyhall/breaking-chris-jericho-loses-aew-world-title/>

He lost it in that it was stolen out of his limo in Florida. Its whereabouts aren't currently known and the Tallahassee police are investigating the theft. I'm sure they'll be able to get a new one made in the month they have before the show but dang this is one for the books.
