

Pick A Survivor Series For Me To Redo

It's that time of year again. Starting on October 20, I will be posting a Survivor Series a day, every day until the 2020 edition. You all can pick which one I do, in addition to the 2019 edition. You can pick any but the following, which I have either done recently or done so many times already that it isn't worth it again.

Anything but the following:

1989

2000

2003

2004

2005
