

Sorry For All Of The Delays

I've been under the weather for about two weeks with side effects of the Covid booster and now a nasty ear infection. The idea of wanting to do anything other than the major shows has left me very tired so some of them are a bit delayed. I'll be caught up soon though as I'm already on some medicine. Again, I'm sorry for being slow but when walking to the kitchen required a 20 minute rest, the energy isn't quite there for all of the reviews.
