

Pick A Survivor Series For Me To Redo

It's that time again, as I'll be starting the Survivor Series countup starting this Saturday. Each day I'll be posting a review of a past Survivor Series, but I'll be doing two new versions. One of them will be the 2021 edition, but you get to pick the other. Any of them are eligible save for the following (which I've either done recently or done enough over the years):

1995

2003

2006

2007

2020

2021
