

BREAKING: WWE Releases Mandy Rose

Apparently Rose had a page with risque content, which did not sit well with WWE. This comes less than a day after she lost the NXT Women's Title to Roxanne Perez, ending her 413 day reign.

This is a weird situation, as WWE had probably told her to stop, but this is also the same company that allegedly told Ember Moon to dress more like Rose. Unless Rose flat out refused to stop posting the content, I'm not sure this warranted a full out release. Maybe they were trying to send a message, but either way, this feels like quite the extreme response. Rose will wind up somewhere in wrestling if she wants to, but dang this came out of nowhere.
